

# DR SHREE MANE

MBBS, MD, FRANZCOG, FRCOG (UK)

## Obstetrician and Gynaecologist

Dr Rajashree Mane is an Obstetrician and Gynaecologist specialising in fertility treatment with more than 20 years of experience in the UK, India and Australia.

Dr Mane has a postgraduate qualification in Obstetrics and Gynaecology from K.E.M. Hospital (Mumbai, India), after which she moved to the UK and gained extensive experience in the field for over 12 years. She worked as an IVF Research fellow in London. Upon returning to Mumbai in 2006, she initiated her private practice and was the Director and Head Consultant at Shree Origin Clinic for almost 10 years.

During her time in India, she was honoured with several National and State awards for her work with women. She was the President of the Rotary Innerwheel club (NGO) and worked extensively for underprivileged women and children in India.

Dr Mane can treat patients with fertility problems, menstrual problems, pelvic pain, fibroids, endometriosis, menopause symptoms, urological problems, prolapse, and colposcopy for abnormal cervical screening test. Dr Mane believes in giving the best possible care to her patients using the latest and modern technology, which she understands and works with efficiently.

Treating patients with sub-fertility concerns is her passion and she tries her best to fulfil the dreams of couples going through the pain and suffering of not being able to conceive. She strongly believes that women are the centre of every and any society and that it's vital we ensure that their health, safety and happiness is made priority.

Due to her vast experience of treating women across the globe, Dr Mane is comfortable looking after women of all cultures and socioeconomic backgrounds. She understands and appreciate the unspoken anxieties of women.

In her spare time, Dr Mane enjoys singing Karaoke with family and friends and watches documentaries or other meaningful movies. Dr Mane has a daughter who has been chosen as 'Miss India Australia 2020' and a son studying in Year 9 who enjoys playing competitive tennis.
